

BUFFALO STRING WORKS, INC.

FINANCIAL STATEMENTS

DECEMBER 31, 2016

Independent Accountants' Review Report

To the Board of Directors of
Buffalo String Works, Inc.
Buffalo, New York

We have reviewed the accompanying financial statements of Buffalo String Works, Inc. (a nonprofit organization), which comprise the balance sheet as of December 31, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

BUFFALO STRING WORKS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Buffalo String Works, Inc. (the Organization) is a not-for-profit organization whose purpose is to provide high quality instruction on stringed instruments and performance opportunities to underserved populations in the City of Buffalo, New York and to provide training for instructors to expand and replicate the program elsewhere.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. There were no temporarily or permanently restricted net assets at December 31, 2016.

Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to bad debt expense.

Deferred Revenue

The Organization is the recipient of grants that require expenditure for specified activities by the grantor. Certain grantors pay in advance of incurring the specified costs; in those cases, the amount received in excess of amounts spent on reimbursable costs is reported as deferred revenue.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. No amounts have been reflected in the financial statements for donated services. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization.

BUFFALO STRING WORKS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions

Contributions received are measured at their fair values, and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or designated as support for future periods. Temporarily restricted net assets are those whose use by the Organization has been limited by donors to a specific purpose or time period. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same reporting period are shown as unrestricted revenue. There were no temporarily restricted net assets at December 31, 2016.

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cost Allocation

The Organization's costs of providing its various programs and activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 2 – ACCOUNTS RECEIVABLE

The Organization entered into a Memorandum of Understanding (MOU) with another tax exempt organization to collect funds that were being held in trust. The funds represent contributions that were solicited and collected by the other tax exempt organization on behalf of the Organization. The terms of the MOU required monthly payments of \$1,000 until such time the receivable is paid in full. Accounts receivable at December 31, 2016 amounted to \$10,227 and was collected in 2017.

NOTE 3 – LEASE

The Organization leases space for its program under a month to month lease. Rent expense for the year ended December 31, 2016 amounted to \$2,450.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE 4 – CONTINGENCIES

The Organization has received grants which are subject to audit by agencies of the state and federal government. Such audits may result in and a request for a return of funds. Management believes that disallowances, if any, will not be material.

NOTE 5 – SUBSEQUENT EVENTS

The Organization has evaluated events and transactions for potential recognition or disclosure in the financial statements through July 22, 2017 (the date on which the financial statements were available to be issued).
