Our Café Staff member, Mary López, enjoying the Buffalo snow!

Dear BSW Family,

I write this note to you as Buffalo has enjoyed our second massive snowfall of the year and we are now slipping and sliding all over the streets while we climb snow mountains lining the sidewalks. But! We prevail and continue to make the most of every single opportunity to make music with our students. COVID-19 and snowstorms continuously remind us **never to take music-making for granted.**

For those of you who have long been in the BSW family, you might be wondering about our annual benefit event which is typically held in March. Well, I'm here to share the exciting news that we are **changing things up!** We will tie our Annual Benefit into our **June Spring Concert** because what better way to support our students than to have all 93 of them perform for YOU on stage? You can expect a **live performance of "They Would Only Walk"**, the piece featuring the stories of our students and parents, PLUS an online auction, exclusive VIP hour, and more. We'll also feature all of the businesses near and far that have thrown their support behind us throughout the year. We'll be sharing more info soon but for now, please hold **Wednesday, June 1 at Asbury Hall** for our BSW students!

Thank you for your continued investment in Buffalo String Works. Because of you, we have hope for a future Buffalo **united by empowered young musicians!**

With gratitude,

Yuki Numata Resnick, Executive Director
